Chaplain's Corner

The Springtime of the year enlivens us. We see new life emerging in nature after a long hibernation. The Resurrection theme continues after Easter and restores our spirits. It is no coincidence that we celebrate Mother's Day in May. The life that a mother gives us, nurtures, protects and develops is a gift and is in need of praise. So many happenings in the world and in our neighborhoods detract from the value of life. Life becomes cheap. The women who give us life are demeaned. What a gift life is! It can not be taken for granted or so easily put in jeopardy. Mothers are important. No matter how big we are or how old we are, we never cease to be children. We always need the affection and soft concern given us first by our mothers. We spend a lifetime seeking it. We thank God for mothers who have taught us life's deepest lessons: how to give and receive love, how to pray, and how to delight in the good. Love is the great commandment. It affects our dealings with God and one another. We learn it at home from our parents. God is present in the human family through the love of parents. God bless our mothers, living and deceased. "When one finds a worthy wife, her value is beyond pears. Her husband, entrusting his heart to her, has an unfailing prize. She brings him good and not evil, all the days of his life. Her children rise up and praise her. Her husband too, extols her. Many are the women of proven worth, but you have excelled them, all." Book of Sirach. Happy Mother's Day!

FRIDAY FUN NIGHTS AT THE CLUBROOM

We have movies on Monday nights which is an outstanding idea to get families together. We thought it would be a great idea to do something at the end of the week.

So on every Friday starting from June thru August, weather permitting, at 7PM, the backroom will be open to play cards or go outside and play horseshoes or corn hole or just some fellowship with our Brothers and their families.

We will be asking for a donation of \$2 per person or \$5 per family, so we can have hotdogs, chips, pop, ect. This isn't a fundraiser, all money will be spent for our enjoyment

This is our hall, lets use it. Any ideas or questions call Ben Welich (216) 410-2150 or Tom Biel (216) 469-9230
